AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application. Please cancel claims 26-29, 31-42 and 44-45.

Listing of Claims

Claims 1-42 (canceled).

43. (currently amended) A bottle carrier, comprising:
- a first half, comprising:
 - a front panel;
 - a right front panel adjacent to the front panel;
 - a left front panel adjacent to the front panel; and
 - a front spine adjacent to the left front panel;
 - a second half, comprising:
 - a back panel;
 - a left back panel; and
 - a right back panel; and
 - a plurality of hot melt glue strips; wherein:
 - the first half is foldingly attached to the second half along a spine fold line;
 - the hot melt glue strips are arranged transverse to the spine fold line;
 - at least one of the hot melt glue strips adheres the first half to the second half; and
 - the bottle carrier comprises a first laminate film side and an opposing second side;
- the plurality of hot melt glue strips comprises at least six strips, at least two of the strips being located on each side of the first half; and
- at least one of the hot melt glue strips extends adjacent to an edge of a panel graphic.
